Subject

Requesting that the orders of Government may kindly be obtained in the matter of granting per memorandum an honorarium of Rs 25/- to the non-official Vice President Alur Municipal Council

The system of granting an honorarium to the Vice President of a municipality is not in vogue in any of the mofussil towns in the State. What has been sanctioned in the case of certain Town municipalities is a conveyance allowance of Rs 15/- to the Vice President. Alur is a minor municipality which has been brought up in the final of the kind. Moreover it is a municipality with a small area and the least number of population, only about 9000 (according to census of 1911), out of the 70 municipalities. No case is made out for the grant of an honorarium and will create an inconvenient precedent if sanctioned.

3 If approved, the DC will be informed that the proposal does not commend itself to Govt. and for orders.

4 The DC may be informed accordingly.
